

Below is the second set of photos taken during the recent youth camp. They are reflections of the youths' learning experience on Ephesians 4.

"to put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires"

Ephesians 4:22

This picture is trying to convey the message that grace, which is life, was given to everyone of us according to Christ's gift that is everything around us.

"From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work"

Ephesians 4:16

Like the flower, each part must work together in order to get the flower, just like people, we all need to play our part by coming to church. If we do not play our part, then we can't serve rightfully in God's kingdom.

"From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work"

Ephesians 4:16

The cubes represent the people of the church, which can increase. The church grows accordingly, with each cube supporting the other. Christ forms the centre, and love binds the cubes together. The cubes are in different colours, representing the diversity of people and their role in building the church.

"¹³⁶ To mature manhood, to the measure of the stature of the fullness of Christ, ¹⁴ so that we may no longer be children, tossed to & fro by the waves & carried about by every wind of doctrine, by human cunning, by craftiness in deceitful schemes."

Ephesians 4:136-14

We all start off as blades of grass, children tossed about by every wind of doctrine and deceit. In the fullness of Christ the head, we must grow in every way to mature manhood with other believers - into a rooted tree with many branches, but united in a common faith.
